Fifteen TTA officers and members met at the picnic grounds of Frozen Head State Park, at 5:00 P.M., April 20, for the purpose of discussing future plans and activities.

Preliminary plans were made for hosting the southeast region of the National Trails Council Seminar. Oct. 18-20, 1974 at Cumberland Mountain State Park was chosen as the most suitable time and place. More definite plans were to be made in future board meetings.

Dot Lingerfelt gave a treasury report showing a balance of \$352.69.

A joint meeting with the Boy Scouts was planned at Prentice Cooper State Park on May 4 and 5. Sam Powell was named to coordinate the activity.

Local TTA membership chairmen were named by Pres. Lily Rose Claiborne. These were; Bill Stutz, Chattanooga; Tanya Shupe, Crossville; Ann Olson, Knoxville and Bob Brown of Nashville.

Possibilities of obtaining TTA shoulder patches was again discussed. Of these present at the meeting, all were in favor of purchasing a minimum amount of patches.

A trail construction demonstration and board meeting on June 15 at Fall Creek Falls State Park was scheduled as the next activity.

The meeting was adjourned at dark.

Respectfully submitted
