Bob Brown reported on the Cumberland Trail. He had worked with Bobby Harbin and Joe England and their summer youth crew on Section 2 and in Cove Lake State Park preparing site for a CT storage building. Brown said Boy Scouts have helped on Black Mountain, installing steps down the rock passage below the summit, using donated railroad timber. Brown has reserved two cabins at Cove Lake State Park for Oct. 31, when the park will have the "Blessing of the Pumpkin Patch" weekend. TTA members will work on the trail part of day, have a picnic supper and a night hike back to park.

The annual meeting to be held Oct. 9-11 at the BSF Bandy Creek campground was discussed. Cumberland Mountain Chapter hosts. All members are urged to collect objects for the auction and solicit one or two new items for door prizes.

Recipients for the TTA Award and the Bill Stutz Award were chosen, to be announced at the annual meeting.
