A motion was passed to print proposed new brochures in black on green.

A motion was passed to ask chapter chairmen to bring to the next board meeting lists of local political and other leaders, such as park managers, to receive newsletters, Bob Barnett to furnish list of state officials.

Chapter Reports: Paul Miller reported that plans for a proposed new chapter at Crossville are under way. A few key people are working on this and need encouragement. Harold Draper reported the interim East Tenn. Chapter going well. Hikes are attended by 25 or 30 people. An organization meeting is planned for June 26. Debbie Gilbert reported the Memphis Chapter has donated \$50 to the Wolf River Conservancy. The chapter members still work at Holly Springs National Forest in Mississippi. Jim Poteet said the Nashville Chapter is installing a hot line, number to be published later. Paul Miller, Upper Cumberland Chapter, reported that 50 people attended the last chapter meeting. The Cookeville Herald-Citizen ran a story recently on TTA that resulted in eight or ten new members and numerous phone calls.

Paul Miller, who heads the campaign to save Scott's Gulf for public land, reviewed details and plans.

A motion was passed to support the efforts of Paul Miller and his associates to save Scott's Gulf for public land.

A motion was passed to donate \$2000 toward saving Scott's Gulf for public land, contingent on matching funds from individual TTA members, to be raised through pleas in the newsletter. If the Gulf is not saved, the chapter will be refunded \$1900.
