The Highland Rim Chapter has enjoyed hiking, paddling and camping this quarter. We had work days where we maintained trails at Short Springs and built new trails at Denny Cove. We meet monthly and have a program. And we held a Solar Eclipse Viewing Party at Welch's Point in Sparta followed by a hike to Martha's Pretty Point at Virgin Falls State Natural Area. All this while working with the Murfreesboro and Franklin/Columbia Chapters to host the 2017 TTA Annual Meeting. Our hikes included Greeter Falls, Stone Door/Big Creek Rim, Prentice Cooper, Sewanee Perimeter Trail, Rock Island, Tims Ford, Collins Gulf and Short Springs. We camped on Devils Step Island and paddled Tims Ford Lake. We camped at Ragland Bottom, paddled Center Hill Lake and floated Caney Fork River. We floated the Elk River. Our programs included Ranger Jason Reynolds updating us on new trails at Denny Cove and Sherwood Forest State Natural Area and Stuart Carroll, Manager of Virgin Falls and Lost Creek discussing the new edition of "Hiking Tennessee" which he co-authored. For Veteran's Day weekend our Chapter plans to camp and hike at Fort Mountain State Park, Chatsworth, Georgia. Submitted by Joan Hartvigsen

- Murfreesboro - Sara Pollard
- Nashville - Doug Burroughs
- Plateau - Bob Obohoski Cumberland County is doing a 26 miles in a month "Marathon." Has monthly meetings and does CTC trail work.

The Soddy Daisy Chapter continues to hike and celebrate the outdoors. Our hikes are published in two local weekly publications. Over the past twelve months we have had 60+ hikes even with taking a break for the month of August. We continue to reach out to new hikers. Outreach has included making contact and pursuing relationships with the local Outdoor Chattanooga organization which has an Outdoor Ambassador Program which seeks to train and expose diverse populations to outdoor recreational opportunities. We are also developing hike leaders from within the club membership by promoting co-leadership of a hike to assist members in gaining confidence and skills to serve in the role of hike leader.

Our future plans include continuing with short/long combination hikes to encourage new hikers and more joint hikes similar to the hike planned with the Plateau Chapter for November 18, 2017.
