Reports

Secretary

Melinda Pearson presented the Minutes of the last Board meeting. A motion was made by Joan Hartvigsen and seconded by Mark Hubbard to approve the 5-2-20 Board Meeting Minutes, as presented. Motion carried. (Att. 1)

Treasurer

David Bowling presented the treasurer's report. (Att. 2, Att. 3, Att. 4) Motion was made by Jane Coffey and seconded by Terry Warren to accept the treasurer's reports as presented. Motion carried.

Membership

Cheryl Heckler presented a group of reports on membership (Att. 5, Att. 6, Att. 7, Att. 8). Motion was made by Terry Warren and seconded by Jane Coffey to approve the memberships reports as presented. Motion carried.

Nominating

Jane Ellett and Libby Francis accepted an appointment from Mary Etta Ward to serve as members of the Nominating committee. Libby Francis accepted an appointment from Mary Etta Ward to serve as Nominating committee chairman. Current members of the nominating committee are Joan Hartvigsen, Linda Latter, Terry Warren, Garnett Rush, Jane Ellett, Libby Francis.

Grants

Joan Hartvigsen presented an Evan Means Grant request from Friends of South Cumberland SP, which the Grants committee recommends for full funding. (Att. 9; 3 pages). A motion was made by Paul Schwab, and seconded by Terry Warren, to approve the Friends request of \$843.47 for custom mileage markers and location identifiers for trails in the Park. Motion carried unanimously.

Old Business

Website Committee

Doug Burroughs, Committee chairman, reported that the latest from Michael Richards, was to expect his company would be set to launch the new website in matter of a few more weeks.

Mark Hubbard presented new (Covid) Guidelines for TTA hikes (Att. 10), which were compiled in consultation with Tennessee State Parks Director of Interpretations for SP events.

Communications Committee—Facebook

Mark Hubbard presented an update on new developments in the management of TTA's Facebook page, and the results of some recent limited research showing no correlation between new TTA memberships and new TTA FB members. He followed with recommendations of new ideas for using FB to promote TTA membership, and urged more participation in FB from the chapter level.

2020 Annual Conference

Mary Etta Ward started discussion on how the 4th Quarter TTA Board meetings, and the Annual Membership Meeting would be executed, in absence of an Annual Conference. (Att. 11).

Discussion followed on a variety of alternatives that could used to acquire members' votes for elections normally held at the Annual Membership meeting. No action was taken.

Mark Hubbard moved, and Joan Hartvigsen seconded, that the 2020 4th Quarter Board Meeting and Annual Special Organizational Meeting, be held on Tuesday, October 20 at 6:00 PM CT, via Zoom. A motion was made by Joan Hartvigsen, and seconded by Terry Warren, to amend Hubbard's motion to hold said meetings on Tuesday, October 27 at 6:00 PM CT, via Zoom. Motion carried, with one abstention.

New Business

Jean Smith—Soddy Daisy Chapter

Jean Smith, Soddy Daisy Chapter Board Representative, posed a question for the Board to answer, in order that she would be able to provide information to her chapter members in the event it became pertinent. The question was "What happens when a local chapter is not able to find someone to serve as the chair-person?" After sharing her interpretation of the matter, based on studying TTA by-laws, Jean solicited, and responded to, Board member feedback.

2020 Annual Budget Maintenance/Conference Cancellation

Doug Burroughs opened discussion on ideas for offsetting the \$6500 that was included in the 2020 Annual Budget to come from 2020 Annual Conference proceeds. There was widespread participation of Board members in the discussion.

Adjournment

At 1:06 pm, Paul Schwab made a motion to adjourn, and Marvin Caine seconded. Motion passed.

2020 Evan Means Grants

Friends of Tims Ford State Park. Old Mansford Road Story Book Trail. Evan Means Grant February 8, 2020. \$1,136.26
Completed May 2020.

Friends of Henry Horton State Park. Four footbridges and two staircases for Spring Creek Trail. Evan Means Grant May 2, 2020. \$1,216.

So far we have completed 2 runs of stairs, one set small set of steps which lead to the creek and eventually a bench and 1 of 3 foot bridges. We are in the middle of this project but the bulk work has been completed! I will send over some updated pictures when I get out there today. We have plans to use our wood sign router to etch a thank you to TTA for the grant.

Friends of Old Stone Fort. Certified Arboretum on Garrison Road Trail and Nature Trail. Evan Means Grant May 2, 2020. \$510. This project had several delays. The Friends waited for Roger McCoy, Director of State Natural Areas, to identify trees for the certified arboretum. Mr. McCoy has a tight, very busy schedule. Then a major storm seriously damaged the identified trees and the trails. The trails had to be cleared of downed trees then Roger McCoy made a second trip to Old Stone Fort State Park to remark trails. Tree tags have been ordered and the interpretive panels have been designed. Soon the panels will be produced by Sign Smith in Crossville, trees will be tagged and the panels installed. The project will be completed by the end of November 2020. Volunteers will assist in the installation of the tree markers.

Friends of South Cumberland State Park. Custom Mile Markers. Evan Means Grant August 8, 2020 \$843.47.

The Trail Marker project. We have completed Phase 1 of the project. This has covered 9 miles of SCSP trails and includes installing 42 Milepost Markers on the SD-Stone Door, BCR Big Creek Rim, LT - Laurel Trail and GDL Grundy Day Loop. In addition we have added reflectors above and below each marker to insure visibility at dusk or in darkness. Thus far, we received favorable feedback on our hiker survey, in which more than 95% of hikers said they would prefer trails with the Milepost Markers on them.

Our Phase 1 trail installations were dedicated to developing our installation process, getting feedback on hiker and ranger preferences, and identifying ways to improve our efforts. Additional improvements include adding reflectors to insure visibility in low light situations and developing unique ways to address our loop trails. (Please see attached for a sample of the Markers and Reflectors)

Phase 2 involves trails installation of 30 miles of trails. Scheduling starts this week as we begin training teams for installation of 30 miles of SCSP trails. The Phase 2 trails involve an additional 162 Milepost Markers and 324 reflectors. Included in this effort will be educational communications at trailheads, in literature, and on social media.

Phase 3 and Phase 4 trails will take place later this fall, winter and spring. These additional phases will cover over 40 miles of trails, over 200 milepost markers, and more than 400 reflectors.

Hi Rick,

I appreciate your patience. These jobs are complex, require a ton of time in art and a lot goes into the prep work before a single sheet gets printed, so we always want to make sure we get everything right.

I have attached your price quote. For the South Cumberland State Park Mile Marker/Location Identifier proposal, we have 173 unique parts (346 including duplicates) broken down further into 6 different colors.

Total for parts and preps comes to \$2,061.22. If you plan to pay with a credit card there is an additional 4% processing fee, we can avoid the fee with new customers if they are able to pay by check in advance (due to the variability and time in art, film, and screen making we would need to have money up front to be sure we are covered).

Once accounts are established and customer is verified we can extend payment terms.

I am sending hard copy along with a catalog and samples. Take some time to review and I am sure there will be some follow up questions to go over next week. Thanks for the opportunity, looking forward to working with you guys. And have an enjoyable 4th weekend!

Buyer shall indemnify Nutron against and hold Nutron harmless from any and all loss, damage, expense (including legal fees) resulting from or arising out of any claim for, including, but not limited to, product liability, injury, or property damage, whether caused in whole or in part by Nutron or by the buyer, arising out of the use of the products ordered.

17. All products manufactured by Nutron are warranted to be free from defects in material or workmanship for a period of thirty days from date of shipment. During that period, Nutron shall, at its option, replace, repair or refund the purchase price of those products shown to be defective to Nutron's reasonable satisfaction. The warranty does not cover products that are damaged, altered, modified, or otherwise misused by the buyer.

18. Nutron shall have no liability for loss of, or damage to, or destruction of, or for any other loss, damage, expense, or liability, whether caused in whole or in part by Nutron or by the buyer, arising out of the use of the products ordered.

19. Prices quoted are based on a quantity of products which comply with following: color, size, and other non-specified characteristics as set forth by the National Association of Graphic and Product Identification Manufacturers. Products which require other than these standards receive more charge to Nutron in a quote of non-standard size and/or special price.

NOTES:

a – **Trail Length:** Length for this segment only; segments under one mile will not be distance-marked (and are indicated by "N/A")

b – **Marker Color:** Applies only to Nutron customized Trailite markers. Known color options, in order of readability are: Black, Blue, Purple, Green, Orange, Yellow, White. Suggested color assignments adhere to the following principles: (1) Differentiate colors in each area of the Park (i.e., if possible, only one 'black' trail in Savage Gulf, one in Fiery Gizzard, one in Lost Cove, etc.) (2) If colors *must* be repeated within one area of the Park, assign the repeating color only to trails that are geographically distant from each other, and do not directly connect to, or intersect with, each other.

c – **NT Increment:** Nutron specification is for customized Trailite markers; increment can be whatever we prefer

f – **NT Qty:** the number of individual customized markers. All trails will be marked in both directions, so the number shown includes two individual markers for *each* increment, per trail.
All markers will be placed above *existing* trail blazes, on trees. If no trees, they will be placed on SCSP-supplied 4x4 pressure-treated posts.

h – **Nutron Cost:** Total cost for number of markers shown, obtained from Nutron (customized Trailite sets)

OLD MANSFORD ROAD STORYBOOK TRAIL

Read, Exercise and Explore! Our storybook trail combines a children's nature story with the thrill of being in the great outdoors.

We hope you'll enjoy exercising your mind and body while walking and reading this book.

Ready? Let's go!
